
Annual Reports
of the

TOWN of STRAFFORD
New Hampshire

2007

For the year ending

December 31, 2007

This issue of the Annual Report is dedicated to

Edgar “Ted” Huckins

Ted served the Town of Strafford in many ways over the years, giving his time, energy and expertise to helping our community. He served two terms on the School Board, from 1969 through 1975, and served on the Planning Board for eighteen years until his retirement in 2005, 14 of those years serving as Chairman. He also served for over a decade as our representative to the Strafford Regional Planning Commission. Ted was a member of the original 1979 Master Plan Committee, and as Planning Board Chairman, steered the Planning Board through our 2002 Master Plan update. His knowledge of the history of our community and commitment to our future will be missed.

TOWN WARRANT
THE STATE OF NEW HAMPSHIRE

The polls will be open from 8:00 A.M. to 7:00 P.M.

To the inhabitants of the Town of Strafford in the County of Strafford in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Strafford Elementary School in said Strafford on Tuesday, the Eleventh (11th) day of March, next at 8:00 A.M. to act upon the following subjects:

** 1. To choose all necessary Town Officers for the year ensuing.

** NOTE: ALL ARTICLES EXCEPT ARTICLE 1, WILL BE TAKEN UP AT 8:30 A.M., SATURDAY, MARCH TWENTY SECOND (22nd) 2007 AT THE ELEMENTARY SCHOOL.

2. To see if the Town will vote to raise and appropriate the sum of \$450,000. for the construction of a new Municipal Offices Building on existing Town land and authorize the withdrawal of \$350,000. from the capital reserve fund created for that purpose, with the balance of \$100,000. to come from general taxation. Selectmen recommend this article. (Estimated tax impact \$.20)

3. To see if the Town will authorize the Selectmen to sell the existing Town Office building to the Strafford School District for the sum of \$1.00 (one dollar). This article is contingent upon Article 2 passing. The Selectmen recommend this article.

4. To see if the Town will vote to raise and appropriate the sum of \$231,000. for capital improvements to the following roads including drainage, gravel and paving:

- a. Second Crown Point Road from the intersection of the Cross Road (North) approximately 1.1 mile to the end of existing pavement.
- b. Province Road (West) from the end of 2007 paving (French Meadow) approximately .8 mile to the intersection of the Webber Road.
- c. Sunny Oak Terrace from the intersection of Whig Hill Road approximately .9 mile to the intersection of Ledgewood Drive.
- d. Hickory Way in its entirety approximately .15 of a mile.

The Selectmen recommend this article. (Estimated tax impact \$.47)

5. To see if the Town will vote to raise and appropriate the sum of \$7,000. to be placed in the non-capital reserve fund created in 2004 for the purpose of funding any future bridge repairs/construction. The Selectmen recommend this article. (Estimated tax impact \$.01)

6. To see if the Town will vote to raise and appropriate the sum of \$433,430. for the operation and maintenance of the Police Department. The Selectmen recommend this article. (Net estimated tax impact after grant and revenues \$.86)

7. To see if the Town will vote to establish a Capital Reserve Fund pursuant to RSA 35:1 for the future purchase of police vehicles and associated equipment and to raise and appropriate the sum of \$20,000. to be placed in this fund. The Selectmen recommend this article. (Estimated tax impact \$.04)

8. To see if the Town will vote to raise and appropriate the sum of \$209,740. for the operation and maintenance of the Strafford Fire Department and Rescue Squad. The Selectmen recommend this article. (Estimated tax impact \$.43)

9. To see if the Town will vote to re-allocate the distribution of revenues received for ambulance services, so that only 50% goes to the special revenue fund known as the Rescue Vehicle and Equipment Fund, with the remaining 50% to be placed in the revolving fund to be created for the purpose of ambulance services by Article 10. The Selectmen recommend this article.

10. To see if the Town will vote to establish a revolving fund pursuant to RSA 31:95-h, for the purpose of ambulance services. 50% of all revenues received for ambulance services will be deposited into the fund, and the money in the fund shall be allowed to accumulate from year to year, and shall not be considered part of the Town's general fund unreserved fund balance. The Town Treasurer shall have custody of all moneys in the fund, and shall pay out the same only upon order of the governing body and no further approval is required by the legislative body to expend. Such funds may be expended only for the purpose for which the fund was created. This article is contingent on Article 9 passing. Selectmen recommend this article.

11. To see if the Town will vote to raise and appropriate the sum of \$80,000. to be used for the second year's payment on the five year lease agreement for the purpose of leasing to own a new pumper/tanker as voted by Article 15, at the 2007 Town Meeting. This lease agreement contains an escape clause. The Selectmen recommend this article. (Estimated tax impact \$.16)

12. To see if the Town will vote to raise and appropriate the sum of \$4,700. for the purchase of forest fire fighting equipment and personal protective gear. \$2,000. to come from a shared grant from the State of New Hampshire, with the remainder of \$2,700. to come from general taxation. This article is contingent upon receipt of the State portion of the grant. Selectmen recommend this article. (Estimated tax impact \$.006)

13. To see if the Town will vote to raise and appropriate the sum of \$44,190. for the purchase of fire fighting equipment. \$41,981. to come from a Federal Fire Act grant, with the remainder of \$2,209. to come from general taxation. This article is contingent upon the receipt of the grant. The Selectmen recommend this article. (Estimated tax impact \$.005)

14. To see if the Town will vote to raise and appropriate \$20,000. to be placed in the capital reserve fund established by Article 8 in 2007 pursuant to RSA 35:1, for the purpose of repairs and/or replacement of the Town owned dock located on Water Street. The Selectmen recommend this article. (Estimated tax impact \$.04)

15. To see if the Town will vote to raise and appropriate the sum of \$1,144,148. for general Town operations.

Executive.....	\$ 64,075.
Election & Registration.....	22,188.

Debt Service (Landfill Closure – Final Payment).....	74,699.
Transfer Station/Recycling Center Monitoring	12,000.
TOTAL.....	\$ 1,144,148.

[The intent of this article is to raise the sum of \$1,144,148. exclusive of all other Articles addressed.] The Selectmen recommend this article.
(Estimated tax impact after local revenues \$.59)

(All estimated tax impact figures applied to money articles do not reflect further adjustments for shared revenues from State of NH, surplus and war service credits; total adjustments are estimated to reduce the total tax rate impact by an additional \$.91)

16. To hear the report on Article 23 voted at the 2007 Town Meeting on the feasibility of implementing a "pay as you throw" program at the Transfer Station/Recycling Center.

17. To see if the Town will vote to discontinue the use of Snackerty Road (a.k.a. Church Road) as a public way pursuant to RSA 231:43.

18. "To see if the Town will vote to re-allocate the land use change tax distribution so that only 50% goes to the conservation fund and the remaining 50% is returned to the general fund." (by petition.)

19. To see if the Town will vote to form a committee to study the need to re-open the following Class VI roads for fire and safety purposes: Old Whig Hill Road, Scribner/Cross Road and Barn Door Gap Road. This committee to be comprised of one Selectman, one Planning Board member, one Conservation Commission member, one representative from the Police Department, one representative from the Fire and Rescue Department, and one representative each, from the Crown Point, Center Strafford, Bow Lake and Barn Door Gap sections of Town.

20. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 19th day of February, in the year of our Lord Two Thousand and Eight.

Selectmen of Strafford

A true copy of Warrant - Attest:

REPORT FROM THE SELECTMEN'S OFFICE

Town and School elections will be held on Tuesday, March 11, 2008. The polls will be open from 8:00 A.M. to 7:00 P.M. for voting purposes. Article 1 will be voted on by ballot at this time. Article 1 is to choose the necessary officers. Articles 2 through 20 will be presented for consideration at 8:30 A.M. on Saturday, March 22, 2008.

We are asking you to consider a proposal for the construction of a Municipal Office Building under Article 2. We have been working very closely with the Town's Facility Needs Committee. This Committee was formed based on the request of the townspeople, in an effort to merge all the departments to find the best fit for both, the existing and future building needs of the Town. The committee has weighed out all the options for both the Town and the School District. The proposed Municipal Building will be constructed behind the Post Office on Parker Mountain Road, with the collaborated efforts of Tony Fallon and Whitcher Builders.

Over the past year the following articles voted on by the Town in March of 2007 have been completed: Construction of the addition to the Bow Lake Fire Station and the arrival of the new Fire Truck. Two new police officers have joined our community. Officer Scott is our new full-time officer, and Officer Drew is our new part-time officer.

We would like to take this opportunity to thank our people at the Transfer Center for their commitment and dedication to their jobs. We would also like to thank the public for their cooperation and patience as we all continue to work towards higher levels of recycling and less solid waste tonnage. The Recycling Center/Transfer Station Revenues for 2007 were \$26,407.83, plus a Landfill Closure Reimbursement Grant in the amount of \$14,796.23. This year will be the final payment of our Landfill Closure Loan Agreement with the State. A Landfill Closure Reimbursement Grant in the amount of \$14,772. will help defray this cost.

At this time, we would like to extend a special thanks to JoAnn Brown for her many years of service to the Town of Strafford, and to wish her the best in her retirement. JoAnn has served as a member of the Conservation Commission since 1971, was elected as a Supervisor of the Checklist in 1982 and continued in this position until 1987, when she was elected to the office of Selectman.

In closing, we would like to thank all those volunteers who continue to serve on our various Boards, Commissions and Committees, and as members of our Fire and Rescue Squad. Also, a special thank you to Stephanie Gray, for all the time, effort and expertise she has donated working on our Town website.

Respectfully,

R. Stephen Leighton
JoAnn Brown
Lynn Sweet

OFFICE OF THE SELECTMEN

CENTER STRAFFORD, N.H. 03816

February 12, 2008

To Whom It May Concern:

Please note that the Town's financial audit for the year ending December 31, 2007 is in process, therefore there is no Auditor's Report available at this time.

Upon completion of the audit, the information will be available at the Town Office.

TOWN OF STRAFFORD
Board of Selectmen

R. Stephen Leighton, Chairman

JoAnn Brown, Selectman

Lynn Sweet, Selectman

STRAFFORD, NH
TOWN MEETING – MARCH 31, 2007

The meeting was called to order at 8:00 a.m. on Tuesday March 13, 2007 at the Strafford Elementary School in the Town of Strafford, by Moderator Pro-tem Diane Waldron to act on Articles 1 through 4 of the 2007 Town Warrant by ballot vote.

The ballots were cast and the meeting recessed at 7:00 pm for the purpose of tallying the votes.

The 187th Strafford Town Meeting, originally scheduled for Saturday, March 17, 2007, but postponed due to weather, was called to order again at 8:42 am on Saturday, March 31, 2007, at the Strafford Elementary School by Moderator William Lord, to act on Articles 5 through 30.

Moderator Lord welcomed all to the meeting and explained the rules of the meeting. The Boy Scouts did a small presentation and we said the Pledge of Allegiance.

Before the Articles were addressed, Selectman Joann Brown presented plants to exiting Selectman Gloria Creamer and exiting Treasurer Bertha Huckins to honor their many years of service. A presentation was also conducted for exiting Fire Warden Glen Pierce to honor his 24 years of service.

The Moderator announced the results of the March 13, 2007 Town Meeting as follows:

1. To choose all necessary Town Officers for the year ensuing.

Voters on the checklist	2,902
Votes cast	622
Selectman – Three Years	
Lynn Sweet	184
Library Trustee	
David Bengner	504
Trustee of the Trust Fund	
Charles Burnham (write-in).....	28
Town Clerk	
Diane Waldron	576
Town Treasurer	
Laurie Bibeau.....	553
Road Agent	
Greg Messenger.....	569

2. To add a new Article 1.4.6 Water Protection Overlay District to protect the quality and quantity of surface and groundwater on Town of Strafford and Strafford School District properties, with a particular emphasis on protecting existing and potential future sources of water as a common resource for the use and benefit of Strafford residents and of the natural ecosystems of which they are a part.

YES – 472 NO - 106

3. To amend and clarify Article 1.7 Non-Conforming Use by adding language to clarify the criteria used by the Board of Adjustment for reviewing a request for Special Exception for cases involving the change or expansion of non-conforming uses, lots or structures.

YES – 369 NO – 170

4. To amend Article 1.4.3 Conservation Development by eliminating the minimum acreage requirement for creating a conservation development under Section 1.4.3 D (1).

YES – 225 NO – 317

5. To see if the Town will vote to raise and appropriate the sum of \$215,000. for capital improvements to the following roads including drainage, shoulder work and overlay:

- a. Whig Hill Road - from the intersection of Route 202A approx. 1 mile, including Aspen Drive.
- b. Browns Pasture Road - from the intersection of Water Street to the end of existing Pavement, approx. .9 mile.
- c. Tasker Hill Road - from the intersection of Water Street to the Northwood town line, approx. .8 mile.
- d. Spencer Lane - from the intersection of Province Road, in its' entirety, approx. .2 mile.

The Selectmen recommend this article. (Estimated tax impact \$.44)

The Moderator read the article. Motion made and seconded. Selectman Stephen Leighton addressed the article. No discussion.

The Moderator re-read the article. Vote taken and carried.

6. To see if the Town will vote to raise and appropriate the sum of \$7,000. to be placed in the non-capital reserve fund created in 2004 for the purpose of funding any future bridge repairs/construction. The Selectmen recommend this article. (Estimated tax impact \$.01)

The Moderator read the article. Motion made and seconded.

Selectman Steve Leighton addressed the article. After brief discussion the moderator re-read the article. Vote taken and carried.

7. To see if the Town will vote to raise and appropriate the sum of \$13,500. for the repair and/or replacement of the Huckins Road bridge. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the project is completed or by December 31, 2011, whichever is sooner. The intent of this article is to use this appropriation in conjunction with the \$12,000. raised by Article 15 in 2006 for the same purpose. Total cost of the project is \$25,500. The Selectmen recommend this article. (Estimated tax impact \$.03)

The Moderator read the article. Motion made and seconded. Selectman Steve Leighton addressed the article. No Discussion

The Moderator re-read the article. Vote taken and carried.

8. To see if the Town will vote to raise and appropriate the sum of \$376,355. for the operation and maintenance of the Police Department. The Selectmen recommend this article. (Net estimated tax impact after grant and revenues \$.73)

The Moderator read the article. Motion made and seconded.

Police Chief Scott Young addressed the article.

After lengthy discussion and questions, Bob Fletcher made motion to move the question. The Moderator announced that the question had been called and required a 2/3 vote to pass.

A vote was taken to call the question and carried.

Moderator Lord re-read the article. Vote taken and carried.

9. To see if the Town will authorize the hiring of a full time officer and to raise and appropriate the sum of \$55,265 to cover this position and benefits. The Selectmen recommend this article. (Estimated tax impact \$.11)

Moderator Lord read the article. Motion made and seconded.

Selectman Steve Leighton made a motion to amend the article to read:

“To see if the town will authorize the hiring of a full time officer and to raise and appropriate the sum of \$27,632. to cover this position and benefits. The Selectmen recommend this article. (Estimated tax impact \$.06).

Chief Young is proposing this amendment because if the article is approved, it will take time to find the right candidate and fill the position. It is unlikely that this would be accomplished before the end of June.

The Moderator read the amendment.

Chief Young addressed the amendment to the article. After brief discussion Moderator Lord re-read the amendment. Vote taken to amend the article as read and carried.

There was lengthy discussion on Article 9 as amended. A motion was made to call the question. Vote taken and carried.

The Moderator re-read the question as amended.

A vote was taken on Article 9. The Moderator asked for vote counters.

Vote on Article 9 carried: YES - 109 NO - 93

10. To see if the Town will vote to raise and appropriate the sum of \$24,000. for the purpose of purchasing a police vehicle and equipment and authorize the use of \$1,500. in trade in value with the balance of \$22,500. to come from general taxation. The Selectmen recommend this article. (Estimated tax impact \$.05)

Moderator Lord read the article. Motion made and seconded.

Selectman Steve Leighton and Police Chief Scott Young addressed the article. There was no discussion.

The moderator re-read the article. Vote taken and carried.

11. To see if the Town will vote to raise and appropriate the sum of \$4,000. for the purpose of purchasing stop signs, speed limit signs, posts and costs associated with installation of the same. The Selectmen recommend this article. (Estimated tax impact \$.01)

The Moderator read the article. Motion made and seconded.

Steve Leighton addressed the article. After brief discussion the Moderator re-read the article. Vote taken and carried.

12. To see if the Town will vote to raise and appropriate the sum of \$188,140. for the operation and maintenance of the Strafford Fire Department and Rescue Squad. The Selectmen recommend this article. (Estimated tax impact \$.39)
Moderator Lord read the article. Motion made and seconded.

Fire Chief Loren Pierce addressed the article.

After lengthy discussion, Steve Bulger made a motion to amend the article to read:
"To see if the Town will vote to raise and appropriate the sum of \$180,400. for the operation and maintenance of the Strafford Fire Department and Rescue Squad.

Jim Forsyth seconded the motion. Moderator Lord read the amendment.

A vote was taken to amend the article and failed.

Gerry Waldron moved the question. Vote taken to move the question and carried.

Moderator Lord read the article as originally written. Vote taken and carried.

13. To see if the Town will vote to raise and appropriate the sum of \$100,000. for an addition and improvements to the Bow Lake Fire Station (incl. bathroom, showers, laundry area, tanks for storage of waste for later pump out, and furnace) and furthermore to authorize the withdrawal of up to \$100,000. from the capital reserve fund established under Article 7 at the 2005 Town Meeting for this purpose. No funding to come from general taxation. The Selectmen recommend this article. (Estimated tax impact \$.00)

Moderator Lord read the article. Motion made and seconded.

Moderator Lord referred back to article 35 of last year. The article read:
"...the Selectmen meet with the school board at least 4 times between this date and the next Town Meeting, to engage in joint facilities planning and report back to the voters at the next annual Town Meeting"

The Moderator felt it was an appropriate time to hear the report since article 13 is a capital improvement.

Judy Whitcher addressed the committee's report. She read part of the master plan. She read the goal of the committee.

Moderator Lord asked if there was any discussion on the report. At this time Gerry Waldron made a motion to amend article 13 to return \$300,000 to the general fund.

Moderator Lord stated that this would be out of order. This must be a warrant article next year that must be voted on.

After lengthy discussion on Article 13 a motion was made to move the question and seconded. Vote taken and carried.

Moderator Lord re-read Article 13. Vote taken and carried.

14. To see if the Town will vote to raise and appropriate the sum of \$16,530. to be used for the final year's payment on the five year lease agreement for the purpose of leasing to own a new ambulance. Furthermore, to authorize the withdrawal of \$16,530. from the special revenue fund known as the Rescue Vehicle and Equipment Fund established by Article 8 at the March 14, 2000 Town Meeting for this purpose. No funding to come from general taxation. This lease agreement contains an escape clause. The Selectmen recommend this article. (Estimated tax impact \$.00)

Moderator Lord read the article. Motion made and seconded.

Fire Chief Loren Pierce addressed the question. There was no discussion.

The Moderator re-read the article. Vote taken and carried.

15. To see if the Town will vote to authorize the Selectmen to enter into a five year lease agreement for \$375,000. for the purpose of leasing to own a new 3000 gallon Class A pumper/tanker and to raise and appropriate the sum of \$80,000. for the first year's payment for that purpose. This lease agreement contains an escape clause. The Selectmen recommend this article. (Estimated tax impact \$.17)

The Moderator read the article. Motion made and seconded.

Chief Pierce addressed the article.

After brief discussion the Moderator re-read the article. Vote taken and carried.

16. To see if the Town will vote to raise and appropriate the sum of \$75,000. to be placed in the capital reserve established in 2005 for the future purchase of a fire truck. **THIS ARTICLE WILL BE RESCINDED IF ARTICLE 15 FOR A NEW PUMPER/TANKER PASSES.** The Selectmen recommend this article. (Estimated tax impact \$.16)

Article 15 carried so this article is rescinded.

17. To see if the Town will vote to raise and appropriate the sum of \$5,500. for the demolition and removal of the buildings on Town owned property located at 77 Canaan Road (Map 4, Lot 80). Selectmen recommend this article. (Estimated tax impact \$.01)

Moderator Lord read the article. Motion made and seconded.

Steve Leighton addressed the article. There was no discussion.

Moderator Lord re-read the article. Vote taken and carried.

18. To see if the Town will vote to establish a capital reserve fund pursuant to RSA 35:1 for the purpose of repairs and/or replacement of the Town owned dock located on Water Street and to raise and appropriate the sum of \$20,000. to be placed in this fund, and to designate the Board of Selectmen as agents to expend the funds in this fund. The Selectmen recommend this article. (Estimated tax impact \$.04)

The Moderator read the article. Motion made and seconded.

Gloria Creamer addressed the article. There was no discussion.

The moderator re-read the article. Vote taken and carried.

19. To see if the Town will vote to raise and appropriate the sum of \$500. for a donation to the American Red Cross. The Selectmen recommend this article. (Estimated tax impact \$.001)

The Moderator read the article. Motion made and seconded.

After brief discussion a vote was taken. The Moderator asked for vote counters.

Article 19 carried: YES – 72 NO – 56

20. To see if the Town will vote to raise and appropriate the sum of \$500. for a donation to the Homeless Shelter of Strafford County. The Selectmen recommend this article. (Estimated tax impact \$.001)

The Moderator read the article. Motion made and seconded.

After very brief discussion a vote was taken. The Moderator asked for vote counters.

Article 20 carried: YES – 66 NO – 65

21. To see if the Town will vote to raise and appropriate the sum of \$2,500. for a donation to Chances (Children's Alternatives and Non-Court Solutions). The Selectmen recommend this article. (Estimated tax impact \$.005)

Moderator read the article. Motion made and seconded.

After brief discussion the Moderator re-read the article. Vote taken and carried.

22. To see if the Town will vote to raise and appropriate the sum of \$1,147,197. for general Town operations.

(Estimated tax impact after local revenues \$.60)

(All estimated tax impact figures applied to money articles do not reflect further adjustments for shared revenues from State of NH, surplus, and war service credits; total adjustments are estimated to reduce the total tax rate impact by an additional \$.89)

The Moderator read the article. Motion made and seconded.

After lengthy discussion the Moderator re-read the article. Vote taken and carried.

23. To see if the Town is in favor of implementing a "pay as you throw" program at the Transfer Station/Recycling Center. If approved, the Selectmen will return with a report to the 2008 Town Meeting on the feasibility and costs associated with this process and an article requesting authorization and funding, if appropriate.

The moderator read the article. Motion made and seconded.

Selectman Joann Brown addressed the article. After lengthy discussion a motion was made to move the question and seconded. Vote taken and carried.

The Moderator re-read the article. Vote taken and carried.

24. To see if the Town will vote to discontinue the use of Snackerty Road (a.k.a. Church Road) as a public way pursuant to RSA 231: 43.

The Moderator read the article.

Selectman Steve Leighton made a motion to table the article and seconded.

Vote taken to table and carried.

25. "The undersigned residents of Strafford hereby request that Northwood Road from the intersection of West Province Road, west to the Northwood town line be designated as a scenic road in accordance with RSA 231:157. The purpose is to encourage the preservation of the rural and historic nature of the byway." (By petition.)

Moderator Lord read the article. Motion made and seconded.

Shirley Brownell addressed the article. With no further discussion the Moderator re-read the article. Vote taken and carried.

26. "The undersigned residents of Strafford hereby request that JoAlCo Road from intersection with Province Road, West to Webber Road be designated a Scenic Road in accordance with RSA 231:157. The purpose is to encourage the preservation of the rural and historic nature of this byway." (By petition.)

The Moderator read the article. Motion made and seconded.

After very brief discussion the Moderator re-read the article. Vote taken and carried.

27. "The undersigned residents of Strafford hereby request that Mousam Road from intersection with Parker Mountain Rd. (Rte. 126) to its end be designated a Scenic Road in accordance with RSA 231:157. The purpose is to encourage the preservation of the rural and historic nature of this byway." (By petition.)

The Moderator read the article. Motion made and seconded.

Liz Evans addressed the Article. She requested that this article be tabled at this time. Motion made and seconded. Vote to table carried.

28. "To see if the Town will vote to change the classification of Scruton Road from Class VI highways to a Class A trail, as authorized by RSA 231-A:1 which read as follows:

A class A trail shall be a full public right-of-way, of indefinite duration subject to public trail use restrictions. It shall not have the status of a publicly approved street, and shall not be used as a vehicular access for any new building or structure, or for the expansion, enlargement, or increased intensity of use of any existing building or structure. It may, however, be used by the owners of land abutting on such trail, or land severed exclusively by such trail, to provide access for such non-development uses as agriculture and forestry, or for access to any building or structure existing prior to its designation as a trail, and such owners' access for such uses shall be exempt from applicable public trail use restrictions, subject only to reasonable time, season and manner regulations imposed by the local governing body. The municipality shall bear no responsibility for maintaining the trail for such uses by abutting owners. Such owners shall, prior to excavation, construction or disturbance of a class A trail, obtain permission from the municipal officers, in the same manner prescribed for highways in RSA 236:9-11." (By petition.)

The Moderator read the article. Motion made and seconded.

Harmony Anderson addressed the question. After very brief discussion the Moderator re-read the article. Vote taken and carried.

29. "We the undersigned residents of Strafford petition the following article be placed on the 2007 town warrant.

That the residents of Strafford accept Mohawk Trail Way as a public way, road was designed and constructed to town specifications." (By petition.)

The Moderator read the article. Motion made and seconded.

Steve Leighton addressed the Article. After very brief discussion the Moderator re-read the article. Vote taken and carried.

30. To see if the Town will go on record in support of effective actions by the President and the Congress to address the issue of climate change which is increasingly harmful to the environment and economy of New Hampshire and to the future well being of the people of Strafford.

These actions include:

1. Establishment of a national program requiring reductions of U.S. greenhouse gas emissions while protecting the U.S. economy.

2. Creation of a major national research initiative to foster rapid development of sustainable energy technologies thereby stimulating new jobs and investment.

In addition, the Town of Strafford encourages New Hampshire citizens to work for emission reductions within their communities, and we ask our Selectmen to consider the appointment of a voluntary energy committee to recommend local steps to save energy and reduce emissions.

The record of the vote on this article shall be transmitted to the New Hampshire Congressional Delegation, to the President of the United States, and to declared candidates for those offices.

The Moderator read the article. Motion made and seconded.

Liz Evans addressed the article. Jim Forsyth made a motion to amend the article to read:
"The Town of Strafford encourages New Hampshire Citizen to work for emission reductions within their communities, and we ask our Selectmen to consider the appointment of a voluntary energy committee to recommend local steps to save energy and reduce emissions.

After lengthy discussion a motion was made to move the questions and seconded. Vote to move carried.

The Moderator re-read the article as amended. Vote taken to amend and failed.

After additional lengthy discussion motion was made to move the question. Vote to move carried.

The Moderator re-read the article as originally written. Vote taken on article 30 carried.

31. To transact any other business that may legally come before this meeting.

Steve Bulger requested that School District meetings be held on Saturdays instead of weeknights. There was a round of applause but no discussion.

Paul St. Claire made a motion: "that all 65 and over be exempted from the school tax in the future. We have paid our share".

This exemption be raised to effect a zero school tax burden on people 65 and older. Motion made and seconded.

After brief discussion a motion was made to move and seconded. Vote taken to move and carried.

The moderator read the proposed article. Vote taken and failed.

Bob Perry...asked about article 33 from 2006. He wanted to know if article 33 addressed the issue of groundwater management. And did article 2 from this year address article 33 from last year. The Moderator's response was affirmative

Motion made to adjourn at 12:59 PM and seconded. Vote taken to adjourn carried.

Given under my hand and seal, this 31st Day of March in the year of our Lord Two Thousand and Seven.

Respectfully Submitted,

Diane Waldron
Strafford Town Clerk

TOWN CLERK'S REPORT - 2007

It has been a pleasure to be your Town Clerk this year, and to see you as you come in to register your vehicles, license your dogs and take care of other Town business.

The Town Clerk's office hours are:

Monday – 9:00 to 1:00 and 4:00 to 7:00

Tuesday – 9:00 to 2:30

Wednesday – 9:00 to 2:30

Thursday – 9:00 to 12:00

The Town Clerk's office offers the following services:

Vehicle Registrations - Dog Licenses - Vital Records - Voter Registration –
Marriage Licenses - Election Coordination - Dump Stickers

The Town Offices will be closed on the following days in 2008:

January 1	(New Year's Holiday)	September 9	(State Primary)
January 8	(Presidential Primary)	October 13	(Columbus Day)
January 21	(Martin Luther King Jr. Day)	November 4	(General Election)
February 18	(President's Day)	November 11	(Veterans Day)
March 11	(Town Election Day)	November 27	(Thanksgiving Day)
May 26	(Memorial Day)	December 24	(Christmas Eve Day)
September 1	(Labor Day)	December 25	(Christmas Day)

- On all Election Days, the polls open at 8:00 A.M. and close at 7:00 P.M.
- Town Meeting will be held on Saturday, March 22, 2008 at 8:30 A.M.
- Elections and Town Meeting are held at the Strafford Elementary School gymnasium.

NEW-Starting 9/11/07- The Town Clerk can process the following registration services:

- | | |
|---|--------------------------------|
| - Vehicles up to 26,000 lbs. (State & Town) | - Copies of lost registrations |
| - Replacements for lost plates and decals | - Vanity plates |
| - Conservation (Moose) plates | - Agricultural plates |
| - Farm plates | - Tractor plates |

DOG LICENSING - State law requires all dogs 4 months and older be licensed between **January 1 and April 30 EACH YEAR.** To avoid late fees, please license your dogs before May 31 (this includes a 30 day "grace period"). If you would like to license your dogs by mail, please call the Town Clerk's office for details.

Check the Strafford Community Calendar's "Notes From The Town Clerk" each month, for news and reminders from the Town Clerk's Office.

If you have questions throughout the year, please don't hesitate to call us at (603)664-2192 Ext. 14. We are always happy to answer your questions and help in any way we can.

Respectfully Submitted,
Diane Waldron
Strafford Town Clerk

TAX COLLECTOR'S REPORT FOR 2007

It has been my pleasure to serve as your Tax Collector for the past ten years. As Tax Collector, I am responsible for collecting revenue from; Property Taxes, Yield Taxes, Current Use Change Taxes, and executing liens. I must also record all money that comes through my office, as well as respond to inquiries from homeowners, mortgage companies, attorney's offices and the general public. My goal is to keep records current and accurate in a courteous, timely manner. All of which is becoming more time consuming as our town continues to grow.

Check out the question and answers section on tax related questions on the new Town Web-site.

In 2003 the Department of Revenue Administration started a "Low and Moderate Income Homeowners Property Tax Relief" program. Forms (DP-8) may be picked up at my office or downloaded from www.revenue.nh.gov after April 1st. These must be postmarked no sooner than May 1 and no later than June 30. Be sure to check with my office during that time period.

Forms for "The Soldiers' & Sailors' Civil Relief Act" are also available if anyone is in need of them. If the taxpayer received activation orders which stipulate Title 10, pick up the forms at my office to see if you are eligible for this Civil Relief Act.

Strafford's School Budget for 2007 is \$9,315,019.00 (Gross Approp.-Revenue). The State has calculated that the cost of an Adequate Education in Strafford is \$3,313,866.00. The State Property Tax will raise \$1,042,689.00. We will receive an Adequate Education Grant for \$2,271,177.00. This leaves \$6,001,153.00 to be raised by our Local School Tax. That sets the 2007 school tax rate at \$12.25 per \$1,000 of assessed valuation.

Strafford's Gross Appropriations are \$2,228,354.00, less Revenues of \$1,470,275.00, less Shared Revenues of \$12,195.00, add Overlay of \$31,813.00, and War Service Credits of \$39,400.00, making a Net Appropriation of \$817,097.00.

The total Property Tax Warrants this year were \$8,834,370.00 Warrants for Current Use Change Tax totaled \$38,830.18, of which \$38,830.18 was collected and turned over to the Conservation Commission of Strafford. The total Timber or Yield Tax Warrants were \$17,965.09

Strafford's 2007 Town Tax rate is \$1.66, and County Tax is \$2.07, School Tax is \$12.25, State School Portion is \$2.14. Our Total Tax Rate for the year 2007 is \$18.12.

Our 2007 lien was \$200,305.67. This is a \$906.08 decrease from last year.

Deputy Martha English has been a tremendous asset to this office. Many thanks for all you do, Martha.

Respectfully submitted,
Judith Dupre'
Tax Collector

Officer Bryant Scott
Officer Chris Plummer

Officer Randy Young
Officer Donald Laliberte
Officer Nicholas Drew

Secretary
Mary MacFadzen

Below are some of the calls for service received by the Strafford Police Department in 2007.

Accident.....	86	911 Calls.....	60
M/V Summons.....	87	M/V Warnings.....	757
Alarms.....	67	Arrests.....	125
Incidents.....	643	Felony Reports.....	19
Crimes Against Property.....	74	Mutual/Fire/Med.....	141
Animal Complaints.....	115	Misc Calls for Service.....	667

The Police Department experienced some hardships in 2007. Personnel shortage was the big problem for the most part. We were short three positions for over nine months and two the remaining three. We were able to fill one full-time position and one part-time position near the end of the year. The remaining position will not be filled. As of this writing, Officer Bryant Scott, the new full-time officer is in the New Hampshire Police Academy, and Officer Nick Drew graduated from the New Hampshire part-time academy and is currently in the field-training phase. We expect to be fully staffed by May 1st. Also in 2007 we saw a large increase in computer related crimes. This includes but not limited to identification and credit card fraud.

The 2008 budget did go up slightly over last year but mainly because of the addition to the new full-time officer. However, if that position is deducted, the budget went down over \$8000.00. Almost 1000 hours was deducted from the part-time officers, which saved over \$13000.00. While that sounds like a large amount of hours, we will still depend on the part-time officers a great deal. They will be utilized primarily as a second cruiser on weekend and holidays, but also during vacations, fill-ins, and sick time. As always, the police department personnel are grateful for your support and look forward to serving you in 2008.

Respectfully,
Scott Young
Chief of Police

Director's comments:

It seems that our building has some sort of mishap each year that calls for extensive (see trustee's report) repairs. Last year it was the water works. This year we had a lightning strike that took out internet routing, telephones, the deep well pump and other sundry items. Let's keep our fingers crossed in 2008.

Both attendance and borrowing have increased nicely from last year. More older children and adolescents are using the facility now both for studying and borrowing.

If only I could wave a magic wand that would cause patrons to take better care of what they borrow. Damaged CDs, videos, books and DVDs have accumulated by many dozens. It is not only the cost of the items but lost investments in staff time that hurt.

Every effort is being made to operate the library economically.

Kenneth A. Berry,
Director
director@metrocast.net

TRUSTEES 2007 HILL LIBRARY REPORT

Our town library volunteers and staff continue to work hard to meet the needs of our community. The mission statement is "to grow and develop with the community to meet the people's cultural, educational, recreational, and informational needs." Our collection continues to grow. We have added new computers for community use. Our staff and volunteers try to stay up to date on all forms of material so we can help you find the necessary information to do a report; research a subject; or recommend a book.

Several programs have been presented during the year including

- poetry readings with local talent reading their own works
- a comedy night with two local comedians entertaining us
- Family Movies twice monthly on Saturday nights
- local "bug experts" were here two nights to help fifth graders identify bugs for their projects.
- the Fiber Arts group meets weekly to work and discuss all things fiber
- we hosted a patron appreciation party in August with food and entertainment for all

The Cilley Room serves as a regular meeting place for several community groups.

There are several children's programs available including

- Story Time twice monthly for preschoolers
- Summer Reading Program for youngsters during school vacation
- Mr. and Mrs. Berry give a tour of the facilities and read stories to school groups at the beginning of the school year

The Strafford Library Association, along with a few dedicated volunteers, keeps the building and grounds in spectacular condition. There was a problem with a musty smell in the corner by the computers this year. Many hours were spent by a few volunteers to track down and eliminate the cause. It is now fixed and we know that the drain pipe in that corner has to be cleaned out regularly.

We would find it difficult to run the library without the many hours of volunteer work. Thank you, each and every one for your generous donations.

Respectfully submitted,

Charles Burnham, David Bengier, and Martha English, Trustees
Nancy Baxter, Indra Edmonds, and Pam Marks, Alternate Trustees

STRAFFORD FIRE & RESCUE 2007 ANNUAL REPORT

2007 was another very busy year with records being set for call numbers in April for day [26] week [32] and month [47]. The floods put a lot of pressure on the department but we were able to handle the calls thanks to the many hours put in by our members.

We are fortunate to have stations in each section of town as the roads were washed out so it was impossible to pass from one section to another at times.

Thank you to all members who participated as a lot of man hours were expended.

I want to thank all towns people for your support during the past year. It is greatly appreciated.

The addition onto the Bow Lake station is a great start for fulfilling our needs for space. For the first time ever we now have a bathroom and shower, small meeting room, place to wash gear and equipment and a computer room for keeping records which is out of the dust and dirt in the apparatus bay area.

In future years we will be looking to build a new Crown Point station and making improvements to the Center station. We hope to have a bathroom and showers in the near future. We put a new walk in door in the Crown Point station as the truck now housed there goes from the back wall to the door and the only way to get from one side of the station to the other side was to go through the truck or open the big overhead door.

Our 2007 budget was overspent by a little over \$4000.00. This was due to several factors including heating and fuel costs, truck and equipment repairs, building maintenance and daytime coverage. Most was spent in December for repairs to trucks and equipment and fuel costs.

We are in desperate need of EMT's. Please consider helping your neighbors by giving some of your time. You will be paid an hourly rate for calls and your training costs will be reimbursed upon certification. Please call Chief Pierce at 817-0802 or e-mail to [redacted] for info.

Remember our motto is "neighbors helping neighbors"

Thanks to all the members for your countless hours of participation. Without you we would not be able to provide our service to the townspeople.

Loren Pierce, Chief
Strafford Fire & Rescue

Report of Forest Fire Warden Strafford, New Hampshire

To those of you who don't already know, my name is Matt Lobdell. I took over the town Forest Fire Warden position starting in 2007. I would like to thank Glenn Pierce for his numerous years of service and continuing to aid me as a Deputy Warden. After taking over for Glenn, I sat down with my Deputy Wardens and our local Forest Ranger to discuss some concerns and issues we were having, as well as set some goals for the future. Brush Permits were one of the major issues addressed. Brush permits were always tough for the Warden having to deal with residents and business owners coming to his house all hours of the day and night. My Deputy Wardens and I decided that it would be much better to give out permits at set times, days and locations. The spring of 2007 we started giving out permits on Wednesday evenings from 6 – 7 PM, and Saturday afternoons from 4 – 5 PM at the Center Fire Station. I was present for the first month at each and every one of the permit times. I fielded a few requests and some minor complaints. However, after about the first month the residents had become accustomed to the schedule and it worked flawlessly. I would like to thank the residents for their patience and understanding through the time of transition. Last year at the town meeting, the residents of the town voted to build an addition onto our Bow Lake station. This addition has been completed and is wonderful. Since we now have this new area to work out of, I am going to make one more change for obtaining brush permits. We are now going to be issuing permits at the new addition at the Bow Lake station. This will be effective March 1st, if the snow is gone. The day of the week, and the scheduled time will remain the same. Please remember that during these scheduled times there should always be someone there to issue permits. If by chance there is no one there issuing permits it will be for one of two reasons: the first is that the weather does not allow burning. Burn permits are only issued for fire class days 1, 2 or 3. You can check the fire class day by calling 1-866-NH-FIRES. The second reason that there would be no one available for permits is that there is an emergency somewhere and there is no one available to issue them. I do apologize in advance for any inconvenience any of these issues would bring you, however neither of these issues are within my control.

The Town of Strafford had very little fire activity during 2007. Most of the calls were for small outside fires or illegal brush fires. The fire department did however assist the Town of Farmington with a sizeable fire on July 4th. This fire was located on top of Blue Job Mountain directly below the fire tower. This fire was spotted by the tower fire spotter and was extinguished in a timely manner after the fire department arrived. This particular fire was started by fireworks the night before and smoldered in the ground for approximately 12 hours before flaring up. Please remember to be careful with any and all fireworks.

If anyone has any questions or concerns, please feel free to call me at 664-9645. Remember that brush permits are needed for all brush fires unless there is complete snow cover. Even with a brush permit, you are only permitted to burn between the hours of 5 PM and 9 AM, unless it is actively raining. If burning during the day while it is raining, and the rain stops, the fire needs to be extinguished immediately. Also, seasonal campfire permits need to be renewed every year. To schedule an appointment to have your seasonal permit renewed, please call me and leave a message if I am not available. Please remember that I too lead a busy life and may not be able to come out quickly to inspect your fireplace. If you are planning a party/gathering and need a seasonal permit inspection, please call me at least 2 weeks in advance so we have plenty of time for our schedules to match. Thank you all.

Respectfully submitted,

Matt Lobdell
Town of Strafford, NH Forest Fire Warden

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact our local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdf.org.

Fire activity was very busy during the spring of the 2007, particularly late April into early May. As the forests and fields greened up in later May the fire danger decreased. However, a very dry late summer created very high fire danger again from August into September, with fire danger reaching very high on Labor Day weekend. Even with the dry conditions, the acreage burned was less than half that of 2006. The largest forest fire during the 2007 season burned approximately 26 acres on the side of Wantastiquet Mountain in Chesterfield during the month of May. Our statewide system of 16 fire lookout towers is credited with keeping most fires small and saving several structures this season due to their quick and accurate spotting capabilities. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2007 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

ASSESSING DEPARTMENT REPORT 2007

02/12/2008

In 2007 approximately 500 properties were visited and photos were taken as part of an ongoing database maintenance program.

The Assessments in Strafford remained very close to "Market Value" in 2007.

Data Verification of all properties will continue this year. We expect to visit another 500 properties. Our goal is to verify the physical data to ensure the assessments are accurate. If no-one is at home we will take the opportunity to verify the exterior measurements of all primary improvements (buildings etc.). If an adult is home at the time of the visit, the representative from the Assessor's Office will ask to verify the interior information via tour provided by the adult. At no time will a representative enter a property where a minor is the only person home. In the event a property is posted "No Trespassing", the representative will knock on the door to seek permission to verify the physical data. In the event no-one is home, there will be no attempt to verify the exterior data. The Assessing Official will make another attempt at a later date. If the property is "Posted" and gated the Assessor's Office will not enter the premises. However, there will be a letter sent requesting an appointment to verify the physical data. If the property owner doesn't respond to the request, it will be considered a refusal and treated as such resulting in an estimate of data.

It is of the utmost importance to have accurate data to ensure all property owners in Strafford are assessed equitably.

I would like to thank you for your continued cooperation.

Sincerely,
Todd Haywood, CNHA
Strafford Assessing Agent

ROCHESTER DISTRICT VNA
ANNUAL REPORT for 2007

Rochester District VNA (Your VNA) continues to serve as your home health agency providing skilled nursing, rehabilitative therapies, medical social work, licensed nursing assistance and supportive services on an intermittent basis throughout your community. The acuity of our patients is constantly increasing. Many patients need IV therapy, enteral feedings, therapy after knee/hip replacements and complicated wound dressings. We are proud to provide you with highly skilled clinicians ready to meet the demand.

Our Medicare reimbursement has been reduced by 11.9% in the past two years with additional reductions planned for the next four years. Skilled service provided under Medicaid is reimbursed by the state at less than half the cost to provide it. Our numbers of uninsured individuals receiving care increases each year. Your support of these services is crucial to people in need of skilled nursing and therapy care.

It is vitally important in this election year that everyone is aware of the importance of the health care issue. Adequate funding for home care is critical in keeping patients in their home, the most cost-effective and preferred place to receive care.

We provide support services including: homemakers, personal care attendants and in-home companions paid by Title XX and Strafford County funding as well as privately paid services. These services allow individuals requiring minimal support to remain safely in their homes at the lowest possible cost.

We have improved our utilization of electronic charts resulting in the following: improved clinical efficiency and accuracy of documentation, flow of data to appropriate disciplines at the time most needed, ease of viewing historical data, improved coordination of care, decreased man hours with less manual paper processes and a reduction of errors. Telehealth use continues to increase. The results of daily monitoring of our most seriously ill patients helps prevent additional visits to the emergency room through early interventions.

We have added a service this fall. We opened an Adult Day Center at our office, 178 Farmington Road, Rochester. This provides care, activities, socialization and medical monitoring of adults who are not safe to be home alone. The Center is open Monday-Friday from 8a.m.-5p.m. and is handicapped accessible.

Our biggest and most critical challenge is being dependent on the government for 85% of our revenue. We are unable to set reimbursement rates. We are dependent on what the government pays regardless of the cost to provide the care. Therefore, your continued support of Rochester District Visiting Nurse Association (Your VNA) is vitally important in meeting the many health needs in your community.

Strafford – 11 months #'s annualized

<u>Total visits by Service:</u>		<u># of Home Care patients - 51</u> <u>admitted by payment source</u>		<u># of Visits</u>

ROAD AGENT'S REPORT

The year of 2007 began with an unusually warm winter, then Town Meeting was delayed by a snowstorm. Only two weeks after that, we experienced what began as a snow storm on April 15th, and then quickly changed to rain on April 16th causing major flooding. The town roads received extensive damage. I have always felt that the best part of living and working in Strafford is the good neighbors I meet each and every day. This was very evident after the storm. I would like to thank Scott Young and his department for their extensive help, not only for controlling traffic during and immediately after the storm, but also for all the paperwork and documentation of damage for FEMA. I would also like to thank all the (private) contractors that helped repair the roads: Rocky Tasker, Jack Brommenberg, Steve Leighton, Wally Spohr, Parker Mountain Corp., Brian Begin, John Van Husen, and most of all to the residents of Strafford for being patient.

Many regular maintenance activities were either restricted or canceled, as the budget was severely affected by the costs of repairing the storm damage. After some extensive paperwork and a site review by a FEMA field representative, the Town received approximately \$103,000. in compensation.

Paving projects were completed on the Province Road, Caverly Hill, Spencer Lane, Brown's Pasture Road, Tasker Hill Road, and Whig Hill Road. Two culverts (60" x30") were replaced under the Huckins Road.

Most improvements and repairs were completed just in time for several early snow storms in December 2007.

Respectfully,
Greg Messenger
Road Agent

PLEASE NOTE THE FOLLOWING REGULATONS

87R4. WINTER PARKING--Pursuant to RSA 265: 70, the following parking regulation will be established:

a. There will be no parking on all town roads so as to impede snow removal.

Any violations of the above will be subject to a fine of \$ 5.00 per violation and subject to towing, pursuant to RSA 265: 69 and RSA 265: 70.

87R5. SNOW OBSTRUCTION--Pursuant to RSA 249: 23, the following snow obstruction regulations will be established:

a. Any person who shall put or place or cause to be put or placed any snow or ice upon the surface of the traveled portion of any town maintained road for any purpose, except to provide a place necessary for crossing, recrossing, and traveling upon said roads by sleds, logging or farm equipment shall be guilty of a violation if a natural person or guilty of a misdemeanor if any other person. The provisions of this section shall not apply where snow or ice is pushed across the traveled surface of said road for the purpose of snow removal from land adjoining said roads.

Any violation of the above will be subjected to a fine up to \$ 100.00, pursuant to RSA 249: 23.

RECYCLING REPORT STRAFFORD TRANSFER STATION

I am very proud and pleased that today our recycling center is working very well. Five years ago we began the closure of our old landfill. It has been a learning experience for all of us, as we dealt with the closure and the need to make do with the limited space and facilities at the Ricky Nelson Road site. We have a dedicated group of workers that are taking care of the facility for us, and we could not have made the progress that we have made without their help. After a number of annual increases in the use of our Transfer Station facility, this year the total tonnage of waste and the costs have declined, while our recycling volumes and revenues continue to increase. This is wonderful news for our Town.

I was supposed to get more information on pay per bag programs, because we had thought that these programs might help us to cut down on the cost of the center to the Town. However, at this time, things are going so well that we have put the pay-per-bag initiative on hold. My thought is that a program requiring only a simple sticker to go on any bag might work as an alternative to a full pay-per-bag system. I did get prices for a sticker program, as there are some towns that have gone this way. I know that there are some people opposed to adding extra charges such as pay-per-bag at the recycling center, and as long as the costs of operating the center are declining, we may be able to avoid adding fees. We all need to understand however, that the fact is that it will have to happen in the future, as costs will eventually rise faster than the Town can absorb.

We want to thank our people at the Transfer Center, and we want to thank you, the public, for your cooperation and patience. Remember that we are open three days per week—Wednesday, Saturday and Sunday. We would urge townspeople to take advantage of our Wednesday evening hours, when there may be less traffic at the facility than during the weekend hours. It is also very important that everyone follow the rules for proper distribution of articles at the facility, as our reduced costs depend on it!. And above all, please recycle! Increased recycling cuts costs for all of us, and it's the right thing to do for the environment, too. As you may realize, recycling requirements and revenues shift as the market for recyclables shifts. We try to maximize our revenues by working with both Waste Management and the Northeast Resource Recovery Association. This year we continue to benefit from increased prices for scrap metals.

We would also like to remind everyone that if you are running a business, you should make arrangements for commercial trash disposal. The Transfer Center is only for residential trash disposal. If there are any questions, the attendants will be glad to help.

We ask for your continuing support with our budget requests. We are into our final year of payments on the revolving loan we received for the landfill closure project. We continue to fund hydrogeological monitoring of the transfer station area, required in order to test for any evidence of problems. CMA Engineers continues to help us as we work with the State of NH Department of Environmental Services to monitor the site.

JoAnn Brown
Selectman

A Recycling "Co-operative":
Working Together to Make Municipal Recycling Strong!!!

Northeast Resource Recovery Association, 2101 Dover Road, Epsom, NH 03234
Telephone: (603) 736-4401 Fax: (603) 736-4402
E-mail: info@nrna.net Web Site: www.nrna.net

Town of Strafford

Congratulations for being such active recyclers!

Below please find information on the positive impact this recycling has had on your environment.

The recyclable materials listed below were sent to market to be remanufactured into new products through your non-profit recycling cooperative, the Northeast Resource Recovery Association.

Recyclable Material	Amount Recycled In 2007	Environmental Impact! Here is <u>only one</u> benefit of using this recycled material rather than natural resources (raw materials) to manufacture new products.
Aluminum Cans	15,060 lbs.	Conserved enough energy to run a television for 1,532,506 hours!
Scrap Metal	81 tons	Conserved 80,857 pounds of coal!

PLANNING BOARD REPORT 2007

Although subdivision activity had slowed along with the real estate market in late 2006 and early 2007, applications to the Board for new subdivision increased during the second half of the year. The Board continues to try to take advantage of our lighter schedule to take the time to review our zoning and subdivision regulations so that Strafford will develop in the ways envisioned in our Master Plan. Board members attended several training sessions during the last year and continue to explore new ideas for balancing growth with natural resource protection.

We would like to thank the three volunteer citizen committees, first formed under the NROC program (Natural Resources Outreach Coalition through UNH Cooperative Extension) that continue to meet and work with the Planning Board and Conservation Commission. The Managed Growth Group continues to meet regularly to help the Planning Board by reviewing and evaluating both our current ordinances and a number of innovative growth management tools available to communities. Water Quality Group volunteers continue to contribute to the UNH water quality study monitoring tributaries entering Bow Lake. The Land Preservation Committee continues to work closely with the Conservation Commission and Bear-Paw Regional Greenways to promote conservation easements and other land preservation projects.

Respectfully submitted,
Charles A. Moreno, Chairman

BUILDING INSPECTOR'S REPORT

Building permit activity declined slightly again in 2007 from the previous year as the housing market continued to decline. We continue to see steady numbers of requests for permits for renovation and expansion of older homes and conversion of seasonal dwellings to year-round residences. This indicates that we continue to face residential growth.

I would urge people to contact the Town Office if you are planning any home improvement project, as you will likely need to obtain a building permit. The only exceptions are small storage sheds (under 100 sq. ft., not on a permanent foundation). Please remember that any structure, including sheds and pools, needs to meet zoning setback requirements. Building permit applications are available at the Town Office.

I would again like to remind people that the office of Building Inspector continues to be a part-time position in Strafford. It is important for people to allow adequate advance notice if they will be needing inspections for electrical work, or any of the other required inspections associated with the different stages of a building project. Please contact me through my cell phone for building inspection questions, and please feel free to call again if you have not received a response, as cell phone voice mail systems may be unreliable at times. I would like to thank the public for their continued cooperation with the Building Inspection permit process.

Stephen Haynes Smith
Building Inspector

Strafford Conservation Commission 2007 Annual Report

During 2007 the Strafford Conservation Commission continued its monthly reports to the town with the *Conservation Notes* column in the Strafford Town Calendar. Readers of the column will have seen regular news regarding completed and continuing work on conservation projects.

Two and a half years ago, Town Forester Charlie Moreno completed a detailed stewardship plan for the town forest which called for careful limited harvesting for wildlife habitat enhancement and forest stand improvement. The Strafford Town Forest has a population of the rare and endangered small whorled pogonia, and it was necessary to determine exactly where they grew so that forestry operations would not harm them. Charlie applied for and received a grant for additional work to make a baseline survey of these populations for the New Hampshire Natural Heritage Bureau. Conservation Commission members and other volunteers worked with Charlie to canvas the forest. The Natural Heritage Bureau has selected several locations around the state with pogonia populations, and each will undergo a different kind of forestry treatment to see what is most beneficial to the pogonia. The Weidman lot of the town forest is selected for a "light silvicultural cut" protocol. In early 2008 Charlie invited all Strafford loggers to a showing and explanation of the operation, and invited bids. As a logger is selected and the operation begins and continues through 2008 and '09 there will be regular reports in the Town Calendar.

Commission members began the year completing the addition of 44 acres to the town forest. Jim and Marj Stiles offered this tract which abuts the Weidman and Merrill Steward lots. Those attending the public hearing in late 2006 had agreed that this purchase was a good use of conservation fund money.

Members surprised George M. Lovejoy Jr. with a plaque honoring him and thanking him for his land conservation efforts here in Strafford, in association with the Blue Hills Foundation. He had recently worked to add to the Foundation's land protection efforts with the purchase of approximately 650 acres of the former Boy Scout land that also abuts the Strafford town forest along the Parker Mountain ridgeline.

The Strafford Conservation Commission has been working with Bear-Paw Regional Greenways and the Trust for Public Land on a large conservation project to protect a large tract of land that has been identified as an area of critical importance to protect water quality in the NH seacoast region. Commission members voted in 2006 to commit \$100,000 of the conservation fund to the project, which would leverage a \$1.3 million federal CELCP grant to buy back for the town 330 acres along more than a mile of the Isinglass River off Pig Lane which had been slated for 58 to 70 homes. The Commission has also been working with generous private landowners on conservation easements whose extinguished development rights will serve as part of the required "match" for this project. On behalf of the Town, we would like to thank them all. We would also like to ask for your support of the proposal to place a conservation easement on the back portion of the Strafford School District property off Johnsonboro Road, which would provide the final critical piece of the required "match" and qualify our community to receive these federal funds.

Conservation Commission members worked on the foreground of the Town Forest several times during the year clearing brush from the cemetery and along the stone wall. We would like to take this opportunity to thank Brian Dahlgren and family for their hard work keeping the lower field open and mowed, and thank Dan Clark for his work on the upper part of the field.

Once again the Commission offered the scholarship program for a week at the Bear Hill Conservation camp to a Strafford student. We will offer it again in 2008 and hope that someone will be able to take advantage of this opportunity. Details will be in the Calendar article.

A principal responsibility of the Conservation Commission is to review applications to the Department of Environmental Services for any work in and around wetlands. DES inspectors responded to several Commission concerns, including wetlands impacts from forestry operations, and the Commission works to assist DES whenever possible. If you plan to submit an application to DES for dredge and fill in wetlands, we urge you to meet with us prior to submitting your application. Conservation Commission meetings are held on the first Monday of each month at 7:00 PM at the Town Office. If a holiday occurs on that first Monday, the meeting moves to the second Monday. As always, the public is welcome to attend.

STRAFFORD RECREATION COMMISSION REPORT

The Red Cross swim program at the Bow Lake beach was popular again this year. We had two sessions during the summer, one in July and one in August. The majority of our swimmers were very attentive, put effort into learning the skills, and passed their levels. We look forward to seeing them again next season.

We once again had good coverage at the Bow Lake beach during daytime hours. Our lifeguards are on duty from 10 A.M. until 4:30 P.M. daily during the summer season. We had three water-safety instructors working with different age levels. Salaries for this summer amounted to \$ 12,791. Other expenses such as equipment, Red Cross swim program administrative fees, water testing, general maintenance, and the summer arts program increased the total summer expenses by \$ 3,053.79. Income from swim lessons was \$954. Beach pass income was \$295.

We request that the operational budget remain the same. Lifeguarding and swim lesson equipment has been updated and our storage shed allows us to keep our equipment secure and offers plenty of storage space.

Respectfully submitted,

Ted White, WSI

STRAFFORD ENERGY COMMITTEE
2007 Annual Report

With the passing of the New Hampshire Climate Change Resolution at Town Meeting in March, the town was given the green light to form the Strafford Energy Committee to recommend local steps to save energy and reduce carbon emissions. Two people joined forces in the spring, and two more signed on in September. In order to understand the process for moving forward, the Committee attended meetings of the Rockingham/Strafford Energy Committee Alliance in Durham and a meeting of the Rochester Energy and Sustainability Committee. Based on guidelines that were presented in an Energy Alliance workshop, we toured the Strafford Elementary School to do a preliminary assessment of the current energy profile of the present school building. This report will be submitted to the School Board in January.

We showed the documentary film, *The End of Suburbia*, several times to small groups of residents, and the discussion that followed was thoughtful and insightful. We plan to advertise the film more widely and show it again in February.

The results of a notice placed in the November Strafford Community Calendar inviting townspeople to join this committee produced no new committee members. We would like to see participation of more Strafford residents and invite you to join the Strafford Energy Committee.

Committee members:
Bill Vance, Chair
Dan Phelan, Vice Chair
Charles Jost
Mimi Jost

The State of New Hampshire

To the Inhabitants of the School District of the Town of Strafford qualified to vote in district affairs:

You are hereby notified to meet at the Strafford School in said district on the 4th day of March 2008, at 7:00 o'clock in the afternoon to act upon the following subjects:

1. "Shall the Strafford School District vote to raise and appropriate the sum of eleven million, two hundred thousand dollars (\$11,200,000.00) for the completion of final plans and specifications and the construction of additions and renovations to the Strafford Elementary School and authorize the issuance of not more than eleven million, two hundred thousand dollars (\$11,200,000.00) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Ch. 33), and further authorize the School Board to issue and negotiate such bonds or notes and determine the rate of interest thereon; and further raise and appropriate the additional sum of three hundred, twenty-three thousand, five hundred fifty-five dollars and fifty-six cents (\$323,555.56) for the first interest payment on the bond and raise and appropriate the additional sum of three hundred, fifty thousand dollars (\$350,000.00) in interest earned on the bond for use on the project, and authorize the School Board to apply for, accept and expend federal, state or other local grants or funds for the support of the project, and to take any other action necessary to carry out this vote?" (Two-thirds ballot vote required). **Estimated tax impact: \$.66**

The School Board recommends this appropriation.

2. "To see if the school district will vote to raise and appropriate the amount of ten million, three hundred fifty-three thousand, three hundred twenty-six dollars and thirty-five cents (\$10,353,326.35) for the support of schools, for the payment of salaries of school district officials and agents, and for the payment of statutory obligations of the school district. This article does not include appropriations voted in other warrant articles." **Estimated tax impact: \$15.64**

The School Board recommends this appropriation.

3. "Shall the Strafford School District authorize the School Board to convey a conservation easement to the Town of Strafford, acting through its Conservation Commission covering approximately 290 acres of the School District's 365-acre parcel of land off of Johnsonboro Road for conservation purposes with this donation to enable the Conservation Commission to receive a matching grant from the Coastal Estuarine Land Conservation Program. This conveyance is conditioned on the Conservation Commission covering the cost of producing any and all necessary plans for the School District to retain a minimum of 75 acres of property for future school use. It is also conditioned on the conveyance being made at no cost to the District and on such other and further terms and conditions as the School Board determine are in the best interest of the District?" The School District retains ownership of the entire property.
4. To see if the School District will vote to raise and appropriate up to twenty-five thousand dollars (\$25,000.00) to be placed in the school district capital reserve fund, established in 1985, for the purpose of financing any and all capital improvements to school buildings as well as all or part of the cost of new construction for the school district in accordance with the provisions of RSA Ch 35, with such amount to be funded from the year end undesignated fund balance (surplus) available on July 1, 2008. The balance of this account as of this date is two hundred, fifty one thousand, eight hundred, fifty-three dollars (\$251,853.00).

The School Board recommends this appropriation.

5. To choose agents and committees in relation to any subject embraced in this warrant.
6. To transact any other business which may legally come before this meeting.

Given under our hands at said Strafford this ____ day February, 2008

Superintendent's Report 2006-2007

School Administrative Unit #44 continues to move forward. The SAU Curriculum Advisory Committee has been formed with the support of our Curriculum Coordinator, Dr. Robert Koenig. Having been recognized by Commissioner Tracy (NH Department of Education) as a "Follow the Child" School District, the three Educational Communities of Northwood, Nottingham and Strafford have been involved in the initiatives that support student needs for academic, personal, social and physical success. With the continued use of the SAU wide Standard Assessment Tool, NWEA (Northwest Educational Assessment), the school communities are able to measure academic growth of the GLE's (Grade Level Expectations) and correlate these standards. This enables educators to review the curriculum for each subject area and to develop an SAU wide curriculum aligned with the state standards. The first curriculum that will be developed SAU wide is Reading/Written Language. This project will begin in the summer of '07 under the direction of our Curriculum Coordinator.

Strafford School administration and staff began its 06-07 school year continuing to support allegiance to the children of the Strafford Community. Mr. Richard Jenisch, with over thirty years of administrative experience, in which nearly twenty has been at the Strafford School, has led staff and students through various junctures of educational change. George Drozin, Assistant Principal, completed his third year with the district as of June 30, 2007. Between the two administrators there is close to thirty-five years of experience working for the children of Strafford!

The fall of 2006 began with the Administration overseeing the NWEA testing (Northwest Educational Assessment) process, used to establish local standardized achievement scores for each child. Following this procedure was the state assessment in October (NECAP). With the completion of a piloting process and the selection of a scientifically, research based reading program, the district continues to move forward with a new Reading Program to start in the fall of 2007. The SAU based Curriculum Committee will be collaborating with Coe-Brown Northwood Academy in developing the pre K through sixteen literacy curriculum, as the SAU and Strafford School District move ahead to meet the needs of all students in the community.

Thanks to the entire Strafford community for their continued support in the educational process for their children.

Respectfully submitted,

Judith A. McGann
Superintendent of Schools

Strafford School Report of the Principal

I was fortunate enough to grow up in a small town much like Strafford. While my world at that time was small, it was rich beyond belief. There were family, church and community traditions celebrated by relatives, friends, and neighbors. There was harvest time in the fall when potatoes were dug, fruits and veggies were frozen and canned, and slabs of bacon and hams hung from the rafters in our 250 year old cape. There were holiday celebrations and school presentations and, best of all, the fourth of July gala including fireworks organized by the local fire department. People took care of one another and came together when one of their own was in trouble. My mother and friends baked and distributed food to the needy and made clothing and other items for the church bazaar. When my mother contracted polio, most neighbors put aside their fears and provided my family support wherever and whenever it was needed. That support and her commitment to her family, helped her overcome paralysis and walk again. As kids, we organized ball games after school and weekends, built log cabins in the woods, dammed up the local brook, hunted and kept the local cove shoveled off all winter for skating. We made rafts, fished and camped out on the river devouring peanut butter sandwiches and lemonade. It was a magical time for a child.

We have managed to preserve some of those traditions in our school and town and should work hard to maintain and support them. They cannot and should not be taken for granted. Pumpkin Hollow, Christmas in Strafford, the Christmas Tree Lighting, the Memorial Day parade, Lake Side Player presentations, fireworks on the fourth, ham & bean suppers, chicken BBQs, chili & chowder festivals and so many other community events remind us all of the importance of friends, neighbors, and traditions. Helping your child with homework, participating in the PTO, reading a bedtime story, coaching a sport, cutting a Christmas tree, throwing a ball in the backyard, attending a game or school event, having meals at the dinner table and other similar family traditions add so much to the development of a child. Their importance cannot be understated. Over and over again we see what the practice of those traditions mean to a child and how they contribute to their success in school, in building character, and in becoming a good citizen.

Shortly after we began the 07-08 school year, we were notified by the State of N.H. Department of Education that our school made AYP (Annual Yearly Progress). This status is determined by student performance on the NECAP exam administered each fall in all schools throughout the state. While we are very pleased with the designation, we are also aware that the level at which our students are expected to perform in reading and math increase every year. As a result, all schools run the risk of not making progress consistent with State of N.H. and No Child Left Behind requirements. With that in mind, we have been working within our SAU to go through a process known as root cause analysis. This process, mandated for schools who do not make AYP, requires an intense study of student assessments and curriculum content in both general and special education. The goal of the process is to identify very specific areas of deficiency in student performance and in curriculum content. That information is used to develop school wide goals and long term plans to address identified needs. This is a very intense and time consuming process designed to bring change where it is most needed leading to improved student performance. As always, we are committed to improving our program and in more effectively meeting the needs of our students. This is an ongoing goal for our school and one we take very seriously.

All Strafford citizens are aware that the school board has worked tirelessly with the architectural firm Team Design and with the Project Management firm Bonnet, Page, & Stone over the last few months to develop comprehensive renovation plans for our school. The plans are final and have been presented to the town during two well attended public forums. The project has been explained in handouts, articles, on the school website and in pamphlets sent to all citizens of the town. The recommended eleven million dollar project will involve upgrades throughout virtually all areas of the building. When completed, the environment within the school will be much healthier and more secure. ADA and State of N.H. standards for school facilities will be met and all programs will have adequate space. Students will all be housed under one roof with all areas of the building accessible

from both the front and back of the building. Safer area for dropping off and picking up students will be established. These are only a few of the improvements this much needed project will bring about. Best of all, the history and personality of the building will be maintained including all the murals, artwork, and student projects that many generations of students still look forward to seeing. The completion of this project will enhance the school's ability to deliver quality programming and instruction to students consistent with State and Federal guidelines within a modernized facility. The Stafford School Board and School Administration asks for your support of this project.

Arts programs and opportunities for students are a top priority for our school. The value of these programs to students cannot be understated. They are often overlooked given the national focus on test scores. Our new classroom music teacher has increased the size and scope of our choral music program. That program has twice the student participation of previous years. Music classes for students at all levels are now solidly based on established standards. This year our art teacher initiated a multi-week after school art program for students to further explore and nurture their talents. A similar summer program will also be provided. Students in instrumental music frequent the music room before and after school to practice and receive additional guidance and support from their teacher. They attend regional competitions and demonstrate a real commitment to improving their proficiency as musicians. Our drama program has become more and more popular every year with participation taking place at all grade levels. Small and larger performances are presented to parents and to the community at various times during the year. We are fortunate to have such a dedicated arts staff in our school and we thank the community for supporting them.

This year staff and administration are reviewing math programming and math assessment scores at all grade levels to determine areas in need of greater instructional emphasis. We are also examining our foreign language program to determine the most effective instructional model for students at both the elementary and middle school level. In addition, we are aligning our science program with State of N.H. grade level expectations. Science is the latest curriculum area being tested annually by the State of N.H. It is assessed in the spring at selected grade levels. A team from our school is also participating in alternative assessment research and training with the UNH Institute on Disabilities this year. Other training on various disabilities including autism is being provided supported by special education grant funds.

Stafford School continues to be a designated intern site for the University of N.H. This year we hosted eight interns from UNH, Keene State College, Plymouth University, and Southern N.H. University. This relationship is critical to our school and provides us with students and resources that enrich our school and provide additional individual attention to our students.

In the spring of last year, our school was identified as a PATRIOTIC EMPLOYER by the National Committee for Employer Support of the Guard and Reserve. This Department of Defense supported organization recognized our school for its efforts to support the troops serving in the armed forces around the world. We are proud of this recognition and thank all of you who made contributions to this effort. Once again this year, we are sending cards and letters to the troops, sponsoring Trees for Troops at Christmas, and recognizing the efforts of our former students serving in the military. Their service and the service of our veterans allow us to live in peace and freedom.

I am approaching my 40th year in public education as a teacher, head teacher, assistant principal, and principal. I have been privileged to work with thousands of students, parents, and educators during that time. Very few individuals have the opportunity to work within one profession for their entire career and I am thankful to be one of them. Much has changed since I began my career. The challenges are greater than ever. Despite all the money being expended in the United States on educational research and despite all efforts to legislate an adequate education, no government intervention, no resource, no program, no consultant, and no assessment can replace the work or success of a competent dedicated teacher. We deeply appreciate their service to our children.

I want to thank the Stafford Community for its continued support of our school. The number of parents, grandparents, and friends who routinely visit, donate time and resources and participate in

activities, organizations and events at the school contribute significantly to the sense of community that exists here. I would also like to thank our road agent, fire chief, police chief, and selectmen for their continued support of the school and for their commitment to the safety of our students. By working together as a community we can achieve excellence.

KEY

- Yes: Group meets the requirements.
- Yes (CI): Group is within the confidence interval width to meet the index target.
- Yes (I): Improving.
- Yes (I*): Improvement calculation is not performed since data were not available for school year of last testing cycle.
- Yes (SH): Group meets the requirements under Safe Harbor.
- Yes (SH*): Safe Harbor calculation was not performed since there were fewer than 11 students in the group in the last testing cycle.
- Yes (2%): Group meets the requirements for special education populations based on the 2% rule.
- No: Group does not meet the requirements.
- *: Group is too small (fewer than 11 students) and therefore is not required to meet the index target for performance.
- ** : Group is too small (fewer than 40 students) and therefore is not required to meet the standard for participation and/or attendance rate.
- Shaded Cell: Safe Harbor is not evaluated when the performance target is met.
- N/A: Data are not available.

SAU #44 Strafford
Strafford School District Meeting
March 1, 2007
7:00 PM

School Board Members:

Mr. Bruce Patrick, Chairman
Ms. Lynda Powers, Vice Chairman
Ms. Christine Bane
Ms. Shonda Thibeault
Ms. Rebecca Doty

Others:

Moderator James Allmendinger
Mrs. Judith McGann, Superintendent
Mrs. Kathleen Sargent, Business Administrator, SAU #44
Mr. Richard Jenisch, Principal
Mr. George Drozin, Assistant Principal
Mrs. Carrolle A. Popovich, Clerk

Moderator Allmendinger called the 2007 Strafford School District Meeting to order at 7:10 PM, and declared that there was a quorum present. He noted that the purpose of the meeting was to conduct all lawful business to come before the body. Moderator Allmendinger introduced himself and those sitting at the front table. Moderator Allmendinger noted for the record that there were several individuals sitting at the front table who were not Strafford residents and asked the body if there was any objection to allow them to speak, if called upon. He noted the following individuals: Mr. George Drozin, Assistant Principal; Mr. Richard Jenisch, Principal and Ms. Kathleen Sargent, Business Administrator for SAU #44. There being no objections, the above named individuals were allowed to speak, if called upon. First and foremost, Moderator Allmendinger noted that order would be preserved at all costs. He then asked that those in attendance work together, and that anyone who wished to speak should use the microphone and state their name and address for the record before they begin speaking. Moderator Allmendinger began by reviewing the process and procedure he would follow for the meeting, stating that he would not allow any verbal attacks, and asked that those present have a free and open discussion. Moderator Allmendinger stated that, if the rules were not obeyed, he would recess the meeting for a fifteen minute period and commence again. He further requested that those individuals, who wished to speak, address their questions/comments through him as the moderator. Moderator Allmendinger stated that the body may appeal any ruling he has made by a majority vote. He further indicated that he would not vote unless it was to make or break a tie vote. Moderator Allmendinger asked that all motions and amendments be stated in the positive, and that all statements from the body be confined to the issues. He also indicated that a request for a secret ballot could be requested. Lastly, Moderator Allmendinger noted that the meeting was being recorded.

Moderator Allmendinger then read Warrant Article #1.

Warrant Article #1:

To see if the School District will vote to raise and appropriate \$25,000.00 (Twenty five thousand dollars and no cents) to be placed in the school district capital reserve fund for the purpose of financing any and all capital improvements to school buildings as well as all or part of the cost of new construction for the school district in accord with the

provisions of RSA Ch 35, with such amount to be funded from the year end undesignated fund balance (surplus) available on July 1, 2007.

The School Board recommends this appropriation.

Ms. Thibault then moved the adoption of Warrant Article #1, as read by Moderator Allmendinger. Chairman Patrick seconded the motion. Moderator Allmendinger asked if there was any discussion concerning Warrant Article #1. There being none, Moderator Allmendinger re-read Warrant Article #1, and called for the vote on the motion. On a show of cards, Moderator Allmendinger declared that Warrant Article #1 passed.

Moderator Allmendinger then read Warrant Article #2.

Warrant Article #2:

To see if the School District will vote to raise and appropriate \$25,000.00 (Twenty-five thousand dollars and no cents) for Architectural fees, Feasibility study and any other costs associated with the collection of data and/or the determination of present structural needs for the Strafford School.

The School Board recommends this appropriation.

Ms. Bane then moved the adoption of Warrant Article #2, as read by Moderator Allmendinger. Ms. Thibault seconded the motion. Moderator Allmendinger asked if there was any discussion concerning Warrant Article #2.

Discussion ensued with Mr. Gerald Waldron questioning the amount of the appropriation, noting that a similar article was put forth several years ago in the amount of \$100,000. He asked if the Board thought that the money could be better spent repairing/fixing the current school facility. Ms. Bane noted that two years ago, the School Board expended just over \$40,000 of the \$100,000., noting that the balance was returned to the town to reduce the amount to be raised by taxation. She went on to explain that the \$40,000. expenditure allowed topographical and geo-technical surveys to be completed, as well as an approved septic system design. Ms. Bane pointed out that the needs are still there, adding that it was the consensus of the Board that, working with a different architectural firm to obtain a different plan – something more scaled down would be appropriate. Mr. Waldron asked if there was any data from previous years available. Ms. Bane again pointed out the fact that a lot of work has already been completed (topographical and geo-technical work), together with an approved septic system design. She added that the School Board wants to concentrate on the air quality within the present school facility and the modular units currently located at the school, both of which affect the educational process. **There being no further discussion regarding Warrant Article #2, Moderator Allmendinger re-read Warrant Article #2, and called for the vote on the motion. On a show of cards, Moderator Allmendinger declared that Warrant Article #2 passed.**

Moderator Allmendinger then read Warrant Article #3.

Warrant Article #3:

To see what sum of money the school district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, for capital construction, and for the payment of statutory obligations of the school district. This article does not include appropriations voted in other warrant articles.

The School Board recommends this appropriation.

Moderator Allmendinger then recognized Chairman Patrick who moved that the school district raise and appropriate the sum of \$9,804,162.99 for the support of schools, for the

salaries of school district officials and agents, for capital construction, and for the payment of statutory obligations of the school district. This article does not include appropriations voted in other warrant articles. Ms. Bane seconded the motion. Moderator Allmendinger asked if there was any discussion concerning Warrant Article #3.

Mr. Richard Young questioned the special education expenditure, asking for an explanation relative to the increase in this area. Superintendent explained that the Department of Education did an on-site review of special education last year within SAU #44 and as a result, one of the components needed was Child Find. She explained further that Child Find is when the school district has to show evidence that there are special needs students, which have to be tracked starting at age three years old. Superintendent McGann pointed out that SAU #44 has focused on early childhood intervention, adding that SAU #44 received information from early childhood intervention agencies. She noted that the increase within the Special Education portion of the budget reflects the Child Find services. Superintendent McGann further noted that there has been an increase in the pre-school program within SAU #44.

Mr. Gerald asked what the percentage of the budgetary increase over last year. Chairman Patrick noted that the 2007-2008 budget reflects a 3.98% increase over last year. He also pointed out that at the end of the 2006 school year, the Strafford School Board returned \$349,439.64 to the town to offset the amount to be raised by taxation. He added that, as a result of this significant turn back from the schools side of the budget, property taxes were reduced. Mr. Waldron queried what the current tax rate will be as of today. Chairman Patrick responded that it would be \$1.35 per thousand. He added that the Strafford School Board does anticipate turning back more money at the end of the year, which could negate that balance.

Ms. Linda Hartmann stated that she has been a long time special education teacher at the Strafford School. She outlined, in great detail, the inadequate conditions within the modular unit, where special education students receive their education. Ms. Hartmann explained that she works with kindergarten through 2nd grade special education students within the modular unit facility, which does not provide the education needs of these students. She went on to note that the modular unit in question does not have a bathroom; there are rodents who live under this unit, adding that the modular unit in question is twenty-five (25) years old. Ms. Hartmann stressed that the building is unacceptable and needs to be replaced. She asked the School Board to strongly consider not returning any fund balance at the end of the year, and do something about making education more accessible for the students within these modular units. Ms. Hartmann also pointed out that the ramp from the modular units is uncovered, further noting that there is inadequate space within the modular units. Ms. Hartmann expressed great anguish, stating that something has to be done now to upgrade these conditions for our children who attend the Strafford School. Ms. Hartmann spoke highly of the Strafford School, and asked that the Board would better utilize the fund balance at the end of the year, and provide what is needed. Chairman Patrick advised that the Strafford School Board is looking at options, adding that they want to address the needs of the students as well as the community. He did point out that the Board is looking at other alternatives (lease/purchase of modular units). Ms. Bane thanked Ms. Hartmann for her concerns, stating that she hoped that the voters of the Strafford community heard it.

Ms. Sherry Clark questioned whether SAU #44 received any federal or state funding for special education. Chairman Patrick noted that last year, Catastrophic Aid was received in the amount of \$62,000, and this year, \$50,000 was received. He noted that this funding is always a year behind and depends on which students are placed at the time.

Moderator Allmendinger asked if there was any discussion concerning Warrant Article #3. There being none, Moderator Allmendinger re-read Warrant Article #3, and called for the vote on the motion. On a show of cards, Moderator Allmendinger declared that Warrant Article #3 passed.

Moderator Allmendinger noted that there were two other Articles, although not numbered, within the Warrant that needed action. He read the following:

To choose agents and committees in relation to any subject embraced in this warrant.

Discussion ensued whether there was a need to include the choosing of agents and committees. Chairman Patrick noted that in the past, this was a requirement, to allow the Strafford School Board to appoint any agents or committees. Superintendent McGann pointed out that the Board has a right to choose their committees throughout the year. After further discussion, it was determined that there was a need to vote on whether the Strafford School Board could choose agents and committees in relation to any subject embraced in this warrant.

Ms. Doty then moved, duly seconded by Ms. Bane that the Strafford School Board be allowed to choose agents and committees in relation to any subject embraced in this warrant. Moderator Allmendinger asked if there was any discussion concerning this Article. There being none, on a show of cards, Moderator Allmendinger declared that this Article passed.

Moderator Allmendinger noted that there were two other Articles, although not numbered, within the Warrant that needed action. He read the second Article as follows:

To transact any other business which may legally come before this meeting.

Ms. Bane then moved, duly seconded by Ms. Thibeault, the adoption of this Article, as read by Moderator Allmendinger. There being no further discussion, Moderator Allmendinger called for the vote on the motion before the body. On a show of cards, the motion was declared passed by Moderator Allmendinger.

At this point in the meeting, Ms. Bane was recognized to speak, and noted the many accomplishments of Ms. Shonda Thibeault, during her tenure at a Strafford School Board member. Ms. Bane pointed out that Ms. Thibeault has been a huge asset to the Board, and that she will really be missed.

There being no further business to come before the March 1, 2007 Strafford School District Meeting, Moderator Allmendinger adjourned the meeting at 7:40 PM.

Respectfully submitted,

Carrolle A. Popovich
Strafford School District Clerk
